LOU & MARKS

ESSENTIALS FOR ALL PHOTOGRAPHERS

Photoshop Action Installation:

Your file will be downloaded as a ZIP to your Downloads folder on your hard drive. Unzip the file and double-click on the .atn file to load it into Photoshop.

Photoshop Action Usuage:

Once installed, please access the Actions panel within Photoshop by clicking on 'Window > Actions'. When the panel opens, click the radio button on the top right of the panel, and near the foot of the menu, click on 'Pastel. This will open the range of actions in the main panel window.

Thank you for your purchase!
