Installation Guide

To run Smart Key Reverse, just place jsx file in the After Effects Scripts folder. By default, the Scripts folder is in the following locations for After Effects:

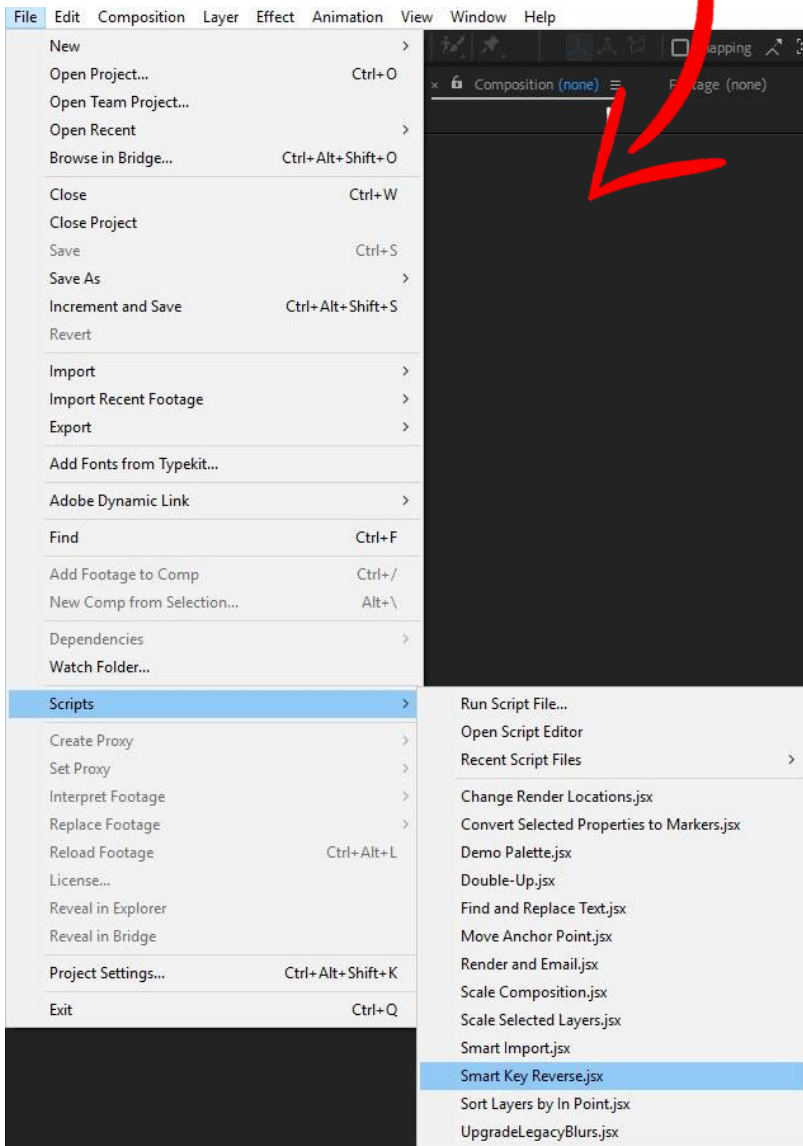

(Windows) Program Files\Adobe\Adobe After Effects \Support Files

(Mac OS) Applications/Adobe After Effects/Script/(Support)

Note! For a script to be dockable, you must install the scripts into the ScriptUI folder.

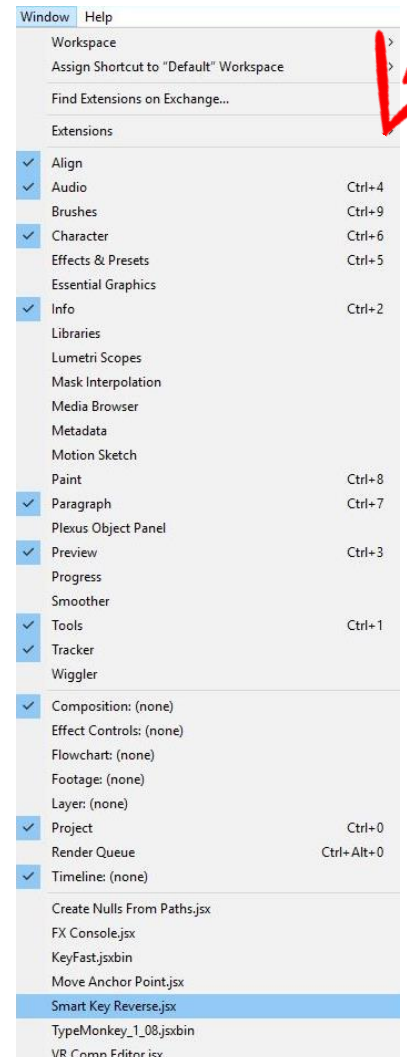

After installation find script in After Effects menu:

- *File > Scripts > Smart Key Reverse.jsx*

or if use dockable panel:

- *Window > Smart Key Reverse.jsx*

Enjoy your use ;)
